New Year's Resolutions

Many people start thinking about New Year's Resolutions around this time of year.

Here are some suggestions – see if you like any of them....

Play your instrument for 30 minutes each day

Do some strength exercises every time you pick up your instrument

Learn one new song all the way through by the end of January

Strive for perfection at every opportunity

Set a date for a performance for your friends and family.

Holiday Party

Once again Elf Corps Studios in association with The A/V Room will be hosting a Holiday Party in appreciation of our music students, recording clients and rehearsal bands.

Watch your email and the studio bulletin boards for the official announcement of date and time.

We will provide food and beverages and host an open jam session for anyone interested in playing. We will have drums, a bass rig and guitar amplifiers set up and ready to go, so just bring your instruments or drum sticks. Invite your family members and other potential students or clients to join in the fun. Even if you don't want to jam – come and listen, meet other musicians or dance!
